

# New Zealand Walking Access Commission:

## Our Maps Change log

### Our Maps Project

Our Maps project outcome was to split the all in one WAMS into use category to improve the ease of use, loading speeds and stability.

This change was implemented on 1<sup>st</sup> Feb 2018.

Our Maps was released with four use type maps (as below)

1. Tracks and Trails
2. Public Access Areas
3. Property Information
4. Hunting and Fishing

5<sup>th</sup> map added (Outdoor Access) on the 22<sup>nd</sup> March 2018 to help address concerns raised in the initial feedback on the maps.

Feedback is also being taken on the maps at the following link:

<https://docs.google.com/forms/d/e/1FAIpQLSfavTtLbDAy6PAw9H4bnsKRBWnQHzT6t4wttr9dTocLQXpwyQ/viewform>

All feedback will be reviewed and assessed as to the best way forward.

### Changes implemented within the maps

Change Number	Date of change	Previous state	Outcome/change
1001	1/2/18	NZ Roads (formed and unformed)	Replaced by NZ Road parcels. More accurate and still shows NZ Legal Road (aka formed and unformed)
1002	1/2/18	Conservation Land	Was removed and replaced with DOC Public Conservation Areas (DOC PCA) as downloaded from DOC. Removed any NZWAC processing errors
1003	1/2/18	Marginal Strips coloured separately as Red	Marginal Strips are a part of the conservation estate and therefore now coloured as DOC PCA
1004	1/2/18	Hydro Areas	Hydro Areas do not necessarily indicate public access and therefore its place is not with Public Access Areas and has

			been moved to Property Information
1005	1/2/18	Crown Land	Crown Land do not necessarily indicate public access and therefore its place is not with Public Access Areas and has been moved to Property Information
1006	1/2/18	Tracks and Trails	Layers have been simplified into categories (NZWAC Walkways, National Trails, DOC and other) There is less clicking down through multiple sublayer to extract the information
1009	6/2/18	DOC Hunting permit areas	Added to the Hunting and Fishing map
1008	21/3/18	DOC Tracks	Colour change – to green as the orange clashed with contour lines
1009	21/3/18	Crown land	Removed from all maps. Crown land does not indicate public access
1010	22/3/18	New map application released Outdoor Access	Addresses feedback concerns. Has tracks, trails and access, public access and property information in one map.
1011	21/3/18 – 22/3/18	NZ Road Parcels	Enabled the layer to turn on earlier in the map
