

Northland-Taitokerau Regional Trails Project

Help shape our region's cycle and walkways network.

“For Northland to be one of the world's best coastal walking and cycling destinations where the journeys and stories are as impressive and memorable as the scenery”.

- Are you working on a trail already or looking to start?
- Would you like to find out how you can support a nearby trail in progress?
- Do you have an idea for a business linked to the trails – like campgrounds, water taxi, B&B's or Cafés and Art Studio's.

We want your feedback - please come along to our hui to find out more on the Northland - Taitokerau Regional Trails Project, share your community trail information & ideas and understand what you can do to support this vital Northland Taitokerau vision.
